Dear Elementary Parents,

We are pleased to invite you to attend our **Parent-Teacher Conferences on Thursday, May 7, and/or Friday, May 8, 2026**, from **8:00 AM to 3:00 PM** virtually.

Parent-Teacher Conferences in the IB Primary Years Programme (PYP) play a crucial role in supporting a child's holistic development. These meetings create a collaborative space where teachers and parents can share insights about the student's academic progress, social skills, and emotional well-being. Since the IB PYP emphasizes inquiry-based learning and the development of the whole child, regular communication ensures that both school and home are aligned in nurturing the learner's growth. This partnership helps identify strengths, address challenges early, and set meaningful goals, ultimately enhancing the student's learning experience and confidence.

Please note that there will be **NO classes for Grades 1-5** on these two days.

The school uses an **online appointment booking system (Parents Evening System)** that allows you to choose your preferred appointment times with teachers. Once booked, you will receive an email confirming your appointments. **Please ensure that you book two appointments for your child:**

1. One with the **homeroom teachers**
2. One with the **Arabic teachers**

Appointments can be scheduled starting from **3:00 PM on Thursday, April 30, until 6:00 PM on Tuesday, May 5**. If you have any questions or need to make changes after this date, please contact **Ms. Tala Sabeh Ayoun**, Mathaf Executive Assistant, @Tala Sabeh Ayoun.
