Middle School Principal

Dear Parents of Grades 6 to 10,

I hope you and your loved ones are keeping safe and well. We sincerely appreciate your ongoing trust and collaboration.

This week, G6 attendance was at **96%**, G7: **92%**, G8: **96%**, G9: **81%** and G10: **87%**. We are looking forward for even more face-to-face attendance next week!

In-person summative exams began two weeks ago. Any student who was absent is required to complete an **in-person** make-up exam starting **May 12**. Emails have been sent to the concerned parents. Students who are still abroad will sit for the make-up exams either at an IB-authorized school or at their country's embassy, where approved proctoring arrangements will be made. **Parents of students currently abroad who have not yet finalized these arrangements are kindly requested to do so as soon as possible.**

We will be holding **VIRTUAL Parent-Teacher Conferences (PTCs) on May 22**. The booking system, the Parent's Evening System, will be open from Monday, May 18 at 8:00 am until Wednesday, May 20 at 6:00 pm. Each meeting slot will be 7 minutes long. Parents are kindly requested to book appointments according to their availability and the teachers' available time slots. **On this day, students will remain at home to work on their submissions and exams.**

Final Exams will begin on **June 12, 2026**, while the revision period will commence on June 4. We understand that this remains a particularly difficult and stressful time for many families due to the ongoing war. Please be assured that we will continue to support our students academically and emotionally throughout the examination period, and we encourage them to stay focused and seek support whenever needed.

Please find the May assessment calendar for weeks 2&3:

We thank you for your continued support and understanding. Together, we will ensure that our students continue to learn and feel supported every day.

Best regards,
