Dear Parents of Grades 6 to 10,

I hope you and your families are safe and well during these challenging times. I would also like to thank you for your continued trust and partnership.

This week, G6 attendance was at 94%, G7: 88%, G8: 87%, G9: 79%, G10: 85%. We are looking forward for even more face-to-face attendance next week!

In-person summative exams have begun this week. **Any student who is absent will be required to complete an in-person make-up exam starting May 4**; specific dates will be communicated next week. If a student is unable to return to school by that time to sit for the make-up exam, parents must contact an IB-authorized school or their country's embassy to arrange approved proctoring.

Here is the assessment schedule for the first two weeks of May.
