

## Samah Abou Ghazal

Early Years Head

Dear Early Years Parents,

This Sway is an invitation to step into the **other side of our days**, the learning that lives within and beyond our units of inquiry. While the UOI remains our overarching IB framework and conceptual umbrella, literacy and numeracy are continuously and intentionally nurtured through **subject-specific experiences** that run alongside and within it.

Here, we make visible how children engage with **language and mathematics as symbolic systems, not** in isolation, but as meaningful tools for communication, expression, and understanding. Through carefully designed, developmentally appropriate experiences, we support the growth of early literacy and numeracy as part of a **connected, holistic learning journey**.

This is where foundational skills are explored, strengthened, and deepened, quietly and powerfully across the rhythm of our everyday classroom life.

Please remember to email [Mathaf\\_Dismissal\\_Changes@wellspring.edu.lb](mailto:Mathaf_Dismissal_Changes@wellspring.edu.lb) by 12:00 PM should there be any changes to your child's dismissal routine.

Best regards and enjoy!
