Acting Middle School Principal

Dear Middle School Parents,

We are pleased to share with you some highlights from our week at Wellspring Middle School, cherishing the learning, leadership, and experiences that continue to shape our students. Thank you for your continued partnership and support as we work together to help our students learn, evolve, and thrive.

A GLIMPSE BACK: Motivation Gets You Moving. Discipline Gets You There.

This week, our students experienced the famous **Tortoise and the Hare** fable from a different perspective during our assembly.

The Hare had speed, energy, and motivation. The Tortoise, however, had something different: **discipline, consistency, and perseverance.**

The message was simple: **Motivation may help you move fast, but discipline helps you keep moving.**

We challenged our students to think beyond simply *feeling motivated*. Real progress comes from the small choices we make every day.

This week, students were encouraged to put discipline into action by:

-  **Doing their homework consistently**
-  **Cleaning up after themselves**
-  **Being punctual and ready to learn**
-  **Staying organized**
-  **Showing respect and responsibility**

The goal is not to be perfect. The goal is to take **small, consistent steps forward every day.**

Small steps. Every day. Big results.

THIS WEEK: Student Council Elections Are Here!

Our **Student Council Election** journey has officially begun! 

With the guidance and support of our **WLC Student Council Advisor**, our students are beginning an exciting experience in leadership, responsibility, and student voice.

Soon, our students will have the opportunity to elect:

-  **Class Representatives**
-  **Student Council President**
-  **Student Council Vice President**

This is much more than an election. It is an opportunity for our students to experience **leadership in action**, understand responsibility, express their voice, and learn how democratic processes work within a school community.

We encourage our students to participate thoughtfully, respectfully, and responsibly.

 ***Your voice matters. Your choices matter. Your leadership matters.***

NEXT WEEK: FIELD DAY – FRIDAY, OCTOBER 9

We are excited to look forward to our upcoming **Middle School Field Day!**

Grades 6, 7 & 8

Students will begin the day with an **awareness session** before heading to the **AUB Green Field** for a day of outdoor activities, games, teamwork, and fun.

Grades 9 & 10

Students will also participate in an **awareness session** before heading to **Arsoun, Metn**, for their hiking experience.

The entire Field Day will take place **during the regular school day**, and students will be **dismissed as usual**.

IMPORTANT: FIELD TRIP PERMISSION FORM

Please make sure that your child's **Field Trip Permission Form** is signed and returned before **Friday, October 9.**

A signed permission form is required for students to participate.

If the school does not receive a signed form, we will consider this as a **decline of permission**, and the student will not be able to participate in the Field Day activities.

Thank you for making sure the form is returned on time.

♥ A FINAL NOTE

Thank you to our students, parents, teachers, and staff for your continued **partnership, support, and commitment** to making our Middle School community a place where students can **learn, evolve, and thrive**.

A special thank you to our students for their efforts this week in **following the school dress code, being punctual, and demonstrating responsibility and respect** throughout the school day. These small, consistent choices are what help us build a strong and positive school community together.

We truly appreciate your continued support and look forward to another great week ahead!

Best regards,
