Dear EY Parents,

We are excited to introduce “Global Citizens in Action – A Monthly Dress-Up Day with a Purpose!”

Inspired by a lovely letter from one of our KG2 students suggesting a Pajama Day, we are launching a monthly initiative that combines fun, creativity, and meaningful learning. Each month, children will explore a different Sustainable Development Goal (SDG) through purposeful play, hands-on experiences, and age-appropriate engagements.

We will kick off this October with Cozy Fall Pajama Day, inspired by the voice and initiative of one of our KG2 students. Children are invited to come dressed in their favorite pajamas and bring a favorite book as we explore the joy of bedtime stories, reading, and learning together. Through shared storytelling and purposeful literacy experiences, the day will highlight how books open doors to imagination, knowledge, and lifelong learning, making a meaningful connection to SDG 4: Quality Education.

Please find attached our calendar of monthly themes. The specific date of each event will be communicated one week in advance.

We look forward to a wonderful year of learning, creativity, and meaningful action!

Best regards,
