Dear Early Years Families,
Before viewing this week's bulletin, we would like to share the following important reminders and updates:

1️⃣ Morning Drop-Off & Building Independence 🌱

As our young learners continue to grow in confidence and independence, we kindly remind parents to say their goodbyes at the designated morning drop-off area and encourage their children to **walk independently to their classrooms**, where their teachers will be ready to welcome them.

This daily routine supports the development of **self-management skills, confidence, and a sense of responsibility**, helping children begin their day with greater independence.

We also remind families that our first learning session begins promptly at **7:40 AM**. We encourage arrival by **7:30 AM** to allow children a smooth transition into their classrooms.

2️⃣ Cozy Fall Pajama Day – Tuesday, October 27 🍂👚

As part of our monthly **Dress-Up with Purpose** initiative, we are excited to celebrate **Cozy Fall Pajama Day on Tuesday, October 27**!

Children are invited to come to school wearing their **favorite comfortable pajamas** and bring along a **favorite storybook** to share with their classmates.

This special day celebrates the joy of reading, strengthens our sense of community, and connects to **SDG 4: Quality Education**, encouraging a love of stories and lifelong learning.

3️⃣ Fall Break Reminder 🍂

Kindly note that our **Fall Break will begin on Wednesday, October 28**, and students will **return to school on Monday, November 2**. We wish all our families a restful and enjoyable break, filled with opportunities to relax, recharge, and spend quality time together.

We are now delighted to share the **seventh Fall edition of *Stories in the Making***, highlighting the meaningful learning experiences unfolding across our Early Years classrooms. From exploring different forms of expression to making mathematical connections through storytelling and investigating shapes in creative ways, our learners continue to demonstrate curiosity, develop skills, and deepen their understanding through our **IB PYP and Reggio-inspired approach**.

From Wonder to Representation

As our Early Years learning journey continues, children's explorations are becoming richer, their connections deeper, and their ways of expressing understanding increasingly diverse.
